DETAILED ACTION

Terminal Disclaimer

1. The terminal disclaimer filed on 5/25/06 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of application serial number 10/814,868 filed on 3/30/04 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

3. Claims 1-5, 7-10, 12-19, 21-23, 25-28, 30-37, 39-41, 43-46, 48-62, 64-67, 69-83, 85-88, 90-104, 106-109 and 111-117 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention.

The feature "said programming taking place by way of one or both a charge-adding mechanism with which a first floating gate device of said pair is associated and a charge-removing mechanism with which a second floating gate device of said pair is associated" as newly added to claims 1, 19, 37, 55, 76 and 97 was not described in the original specification.

Conclusion

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.

5. Applicant's arguments filed on 5/25/06 have been fully considered and are persuasive. Therefore, the last office action of 12/21/05 has been withdrawn.

However, in view of Applicant's amendment and upon reconsideration, a new ground of rejection has been set forth and made FINAL as above.
